**January 2017 HUD MOU– 5-10 minutes - Alicia Frame, OSRTI**

**Purpose:** As part of the January 2017 HUD MOU, EPA has agreed to meet quarterly with HUD to exchange information about NPL sites near public housing. As OSRTI prepares for our next meeting, we wanted to solicit input or feedback from the regions.

**QUESTIONS:**

- Are you aware of any sites in your region where HUD residents may potentially be impacted (HUD defines this as ¼ mile radius from a site's perimeter)
- Have you or your staff received any requests for information or action from your HUD's Regional or HQ staff?
- Are there any sites where you are having difficulty with HUD? This includes trouble getting access agreements in place for subsidized housing, communication problems with residents, or disagreements on remedial or removal activities.
